MSDH Child Care Training Reminders

MSDH want to take a moment to remind all our Providers that we are doing our best in striving to make sure that we offer a variety of trainings for you and your staff. We are asking that when you are registering for trainings to select the date and time that’s best for you. Please do not sign up for the same training topic more than once for any individual in hope to make you get in a training. We want to be fair and courteous to all providers and their staff members.

Also, please review the training procedures that are required below and share with you staff.

- Video camera must be on for all participants.
- Sign in to the chatbox at the beginning and at the end of the trainings with your first and last name and email address.
- If sharing screen with someone, please sign in each individual and they must be present when you sign them in.

Remember, all procedures must be followed to receive a certificate. Please also remember if you or your staff sign up for a training, we ask that you attend due to limited space. We do understand unforeseen things can occur. Please contact us if you know that the registrant cannot attend. We truly appreciate you cooperation and understanding.

Exciting News!!

Loving Hands Educational Service would like to honor and celebrate individuals that work in childcare that goes above and beyond. Please nominate any child care director or teacher that you feel goes above and beyond the call of duty. Loving Hands Educational Service will be honoring all selected nominees at a special award celebration on December 12, 2021, in Jackson, MS. All nominations must be submitted by noon November 10, 2021. Awardees will be announced on November 19, 2021

Nominate your Child Care Hero at https://forms.gle/xepeXs6AfI1uq9HA7
Encouragement for Teachers

THANKS
for ALL that you do daily in your classroom.
"Whatever little it is you do, do it well.
For every little step you make, a lot of students..."
